Please note that the house has to be cleaned by your group itself.

The house must be cleaned thoroughly according to the cleaning plan and checklist (see appendix).

If we find that additional cleaning is required by our team you will be charged with CHF 30.00 per hour of work.

In exceptional cases, final cleaning can be claimed by the sbt. However, this can only be done after early consultation with the sbt and not in every case. If we take over the cleaning, costs fall in the amount of CHF 400 or according to effort.
